ZERO B
Hydrolife

The only therapeutic water is – Alkaline & Hydrogen for good health.

Zero B, the flagship brand of Ion Ex\change India Limited, with its expertise in the water industry, presents the state-of-the-art

Alkaline & Hydrogen Water Crafter to give superior water. Believe in the secret of Zero B Hydrolife water to reap long-term vital health benefits and disease-free body.

UNIQUE FEATURES

- Delivers alkaline and hydrogen water with any water source, even at low TDS for drinking, cooking and sanitization.
- Alkaline water + Hydrogen Water+RO / Purified Water+Non RO Water Purification(ESS).
- Feather touch dispensing- easy to use
- Hassle-free auto-electrode cleaning system.
- Negative ORP up to -800 mV of Hydrogen water.
- Uses 11 solid Japan-make ionic plates made of titanium with platinum coating.
- Option for selecting RO or Non RO water purification.
- Equipped with built-in high recovery (70%) RO & ESS technology.

PARAMETERS	SPECIFICATIONS
Add-On Storage Tank Capacity	10 litres
Dispensing Flow Rate	Upto 1 liter/min
Purification Flow Rate	10 LPH
Continous Usage Time	Not more than 30 minutes
INLET WATER CONDITIONS	**SPECIFICATIONS**
Feed Water TDS (PPM)	20 - 1500 ppm
Inlet Water Temperature	Less than 45 centigrade
Inlet Pressure	0.5- 2 kg/cm2
Inlet pH	7 - 8 pH
ELECTRIC SUPPLY	
Operating Voltage	230 + 10% VAC
Power Consumption (W)	175 Watts

LEVEL 1 Mild Alkaline Water (7.5 pH - 8.5 pH):

Drinking Water Button

Get relief from acidity and stress.

LEVEL 2 Alkaline Water (8.5 pH - 9.5 pH) :

Drinking & Cooking Water Button

Get micro-clustered drinking water for better absorption as well as retain the original food taste.

LEVEL 3 Hydrogen Water (9.5 pH - 10.5 pH) :

H2 Water Button

Get therapeutic benefits of molecular hydrogen of up to 1000 ppb for multifold health benefits and beauty benefits.

Purified Water (7.0 pH) :

Purified Water Button

This water is filtered purified water for consumption.

Acidic Water (3.5 pH - 5.5 pH) :

Sanitizing Water Button

Get strong acidic effect for treating skin conditions and wash purpose **Do not consume this water.

HEALTH BENEFITS

LIFESTYLE DISEASES
CONTROLS
- Type 2 Diabetes
- Obesity & Body Weight
- Hypertension

DIGESTIVE HEALTH
RELIEVES
- Acid Reflux Disease
- Irritable Bowel Syndrome
- General Acidity

SKIN DEFENSE
TREATS
- Eczema
- Skin infections - Psoriasis
- Skin disease related to – Diabetes

PHYSICAL FITNESS
IMPROVES
- Overall Energy Levels
- Hydration in athletes
- Muscle Fatigue after acute exercise

BEAUTY CARE
ANTI
- Wrinkle Formation
- Allergies (Rash, Acne)
- Ageing (Increase Longevity)

GENERAL WELLNESS
USED FOR
- Reducing effects of Radiation
- Regaining muscle strength in old people
- Rheumatoid Arthritis
